Train Ride

I admit it – there are times I get so horny I'm downright twisted. Take the other morning – I'd spent the night with this bloke I'm shagging on and off, and he set the alarm early so we could have a fuck before I left his to go to work. Normally I hate the rush-hour tube, but I was still enjoying my post-cum glow and nothing could spoil it. As per usual, the train was rammed full, and I was backed up against some bloke. I never looked back at him once, so I can't describe him – pretty tall, I reckon, that's about it. The front of him was right up against my arse and back – at the time I didn't know if it was deliberate or not. Normally I'd have shifted position away from him, but this time I started rubbing up against him. Accidentally on purpose at first, but then more blatantly. I stopped a couple of times, and he wasn't moving, but then I felt him pressing his crotch up against me.

It carried on, then he got even bolder. I felt his hand stroking my hip and I suddenly grabbed hold of it. I felt him tense – he must have thought I was going to hold it up and shame him or something. Instead I moved it onto my arse. He groped it, but he was still taking things a bit too slow for my liking. I still didn't look at him – that could have spoiled it. But I leaned my head back and whispered, "I'm off in six stops."

He went still as he decided what to do, then I sucked in a moan as I felt him slip his hand in between my legs. Even though my skirt was short, it was a tight squeeze sliding it inside my tights and knickers. He pressed his palm along my slit and trapped my clit in between two of his fingers, rolling and rubbing it rhythmically. He managed to bend another one back, get it in my pussy and, with a bit of tensing and wiggling from me, finally get me to the brink.

I felt him slip his hand in between my legs

We reached my stop but I didn't care. I was just staying where I was until I came.

"Faster…" I groaned, and he pumped hard in and out of me, until my cunt began to pulsate around his fingers. I came so hard it was like flashing lights – and not just from pulling into the next station. Then, when the doors opened, I just walked out and on my way without glancing back – it really gave me a thrill not knowing who'd just fingered me.

I'm not condoning blokes who go round touching up women on public transport – it's totally out of order. But I know I started it with this guy and if we both got a buzz out

What We're Listening To...

The Idiots Are Winning came out a couple of months ago, but it's pretty much all we're listening to right now. It's a compilation of tracks by James Holden, released on EPs that only the more dedicated audiophile would have come across. That ain't us, but the CD gathers everything together neatly and sounds fantastic. It's dance music, but more in the vein of Underworld's big, thumping joyous sound than the disco-abusing crud that seems to clog up compilations nowadays. Holden made a name for himself remixing the likes of Britney Spears, Depeche Mode and Madonna, but this is a world away from that. It's equally at home on your ipod and blowing out of speakers, and you can listen to it for pleasure as well as go nuts to it while you're off your noggin. Brilliant.

The Idiots Are Winning is out now

All our letters are genuine, sent in by you, and you're welcome to send in pictures, too! We pay £25 per pic and £20 for every letter published. When sending us photos, please enclose a photocopy of the model's ID (passport, birth certificate etc), together with the form on page 44.

Porno of the Month

Erik Everhard (his real name, do you think?) directed my favourite porno of 2006, and this is an early contender fo the best of 2007. He's not doing anything revolutionary, just finding sexy, up for it babes and putting them through outlandish sex scenes, which they all appear to love, and then filming and editing it really, really well. Fans of anal and deep oral action will have a field day with this film. This double disc sees 7 sweet babes being put through their paces, and it's great. The outstanding scenes feature real stunners, but there's nothing on here that's second rate. All the girls look pretty natural and go for broke once the fucknig starts. Of the seven scenes, I'd say the one featuring Gigi stands out. This slutty looking blonde goes crazy over her stud's cock, and their scene is a winner from start to finish. Some people might be put off by long intros, but I think it realyl helps the scenes, and when they finally do get down to it, they don't disappoint. A cracknig porno, and here's hoping any future releases keep up the high standards on display here.

of it, then where's the harm? I didn't get a lot of work done that day, and I had to buy fresh underwear before I went into the office. And I like to think that the man – whoever the hell he was – will still be wanking off over what he did to me this time next year.
Jenna, London

Captive Audience

There's a club in my area that has a "beach party" night every February – basically a sandpit and a paddling pool in one corner, and everyone has to dress up in summer holiday gear. It's so fucking tacky, but everybody's gagging for a bit of sun and fun by that time of year, so it's always really popular.
This year they had a wet T-shirt contest, with a week for two in Menorca as a prize. My mate Laura reckoned we should go for it. We had a bit of competition – especially this tall brunette girl. She was wearing a white tee that ended about four inches below her tits, and she had a serious pair of knockers and massive nipples on her.
The blokes were going wild for her, so Laura and I played dirty. We walked out together, poured water over each other, then started snogging and titting each other up.
"Just picture us on holiday together," said Laura and that was probably what won it for us in the end.
As we dried off on the dancefloor the blokes were loving us. We got a few bitchy comments from the girls, but what can you expect? Then this one lad started calling us fakes – saying it was cheap how we'd just put on a lezzie act to win a holiday.

Her hands stroked round from my back to feel up my tits

Dead right on every point, but we weren't having that – and Laura told him to come back to hers with us. She's such an evil cow sometimes – she told him to strip off, then got a chair from the kitchen, telling him if he wanted to watch she'd have to tie him to it to make sure he behaved himself. He agreed to it a bit too quick – I think he got off on the idea.
We got ready, dressing up in Laura's sexy undies. She's two sizes smaller than me, but I managed to squeeze my tits and arse into them somehow. By the time we strutted out, the lad, Damian, had a bit of a lob on – and there was nothing he could do about it. A few lap-dancer moves – not close enough to touch, but close enough to make him think he could –

They say that men want a woman who's a lady in public and a slut in the bedroom. Well, I'd certainly not turn Desiree down, and from the look of this set, she's pretty much a slut everywhere! The Razzle snapper who shot this set had a nice bedroom laid out for her to pose in, but Desiree wanted to play from the moment she got in the door! It was all he could do to get the cap of his lens and start snapping! A perfect Razzle babe, if you ask me, whether in the bedroom or out!

and we got down to the main event.

I was trying not to giggle, but Laura was keeping it deadly serious. She put her mouth on mine, sucking on my tongue as her hands stroked round from my back to feel up my tits. There was lipstick all around my mouth, then all over my nipples too when she popped my tits out for a sucking.

Damian let out a moan. We hadn't gagged him, but Laura slipped my knickers down, giving me a quick kiss on my shaved mound, then balled them up and shoved them into his mouth. He could have spat them out any time but he seemed to like them in there, the dirty git.

Now that my pussy was bare, Laura started fingering me, working three in and out of my snatch. She'd told me before she'd never fucked another woman – bullshit, I reckoned. She definitely knew what she was doing.

She screamed out loud in ecstasy

She had a thumb circling on my clit, and my nipple in her mouth, and that was me over and done with. I just let out this whimper and came all over her hand.

She went up to Damian, showing him her juice-soaked fingers. Then she came back over to me and we licked them clean. I'd already figured out what I was going to do to her – I got her to bend over and grab her ankles, then knelt behind her. I spread her arse cheeks, swiping my tongue quickly up and down her slit. Then I started twizzling it around in her hole, flicking and pumping. She reached back to frig her own clit, and I started thumbing her arsehole, giving her that extra tease. She'd told me before she was really orgasmic, and I was finding it out for myself now. It was hard to tell what was her orgasm, and what was just the natural tightness of her pussy, but I just kept lapping and fingering away until she was in a frenzy. Finally she straightened up, just as she was cumming. The extra headrush from standing up fast meant it hit her hard, and she screamed out loud in ecstasy. Damian was moaning through his knickers-gag, his prick now looking painfully hard.

I told Laura we should leave him there, and fuck off into

Top Shelf Productions have always been a favourite publisher of ours and not just because of their name.

Their latest addition to the work of cult cartoonist James Kochalka is *Super F*ckers*. An irreverent and incredibly amusing take on the super-hero team featuring the adventures of a motley crew of heroes including the curmudgeonly Jack Krak, Grotessa and her sidekick Grotus. With fouler mouths than the *South Park* kids the antics these costumed heroes get up to have to be seen to be believed.

the bedroom for more fun. But she's a softie – not to mention a total slut. When she joined me on my bed her mouth was dribbling with his spunk, and after she'd gobbled him off she'd untied him and told him to get lost! I almost told her off for losing me the chance to get some cock too, but what she did to me was more than enough consolation…

Up an Alley, Round the Back

I didn't know my new girlfriend Denise hated horror films until I took her to see one of the *Saw* flicks. Once the gore kicked off, she lasted five minutes before walking out. Obviously I went after her and she told me she'd only come because she was really into me. I grabbed her and gave her a big hug, which turned into a snog. She seemed a bit embarrassed about being so squeamish, taking the piss out of herself. When we passed by this dark alley she said she'd prove she wasn't a total girlie by walking down it alone. The joke ended up on me. She "disappeared" and wouldn't answer when I called her name. After a couple of minutes I was worried enough to go after her – and she jumped out on me. I nearly shat myself.

"Aw, look at you, all shaken up," she said, and got me in a clinch. The thing about Denise is that she can seem really sweet but she's a right dirty little bitch underneath all that. When her hand went down the front of my pants, it was me worrying about us getting caught – she didn't give a toss.

Okay, so she was soon giving me a toss, unzipping my flies so she could wank my cock more freely. I just let her get on with it, groaning as she ran her hands all over my prick and balls.

Next thing, she pulled away from me, leaving me standing there with a right flagpole sticking up from my crotch. She dropped her knickers, stepping out of them, and shoved them in my face, before grabbing my cock and rubbing it up against her naked belly – she's a fair bit shorter than me!

I just grabbed her, lifting her up, hands easily cupping her pert little bum cheeks. It was a bit of a fumble, getting me inside her, but finally she moaned like she was on heat as I slid up her fanny to the hilt. I got a nice hot mouthful of tit as well, and jiggled her around on my knob.

She's a bit loud when she's getting off, but she muffled it with the shoulder of my jacket – it felt like she was biting chunks out of it.

Her hand went down the front of my pants

As my hands crept round to fondle her crack, she was giggling with pleasure. I just wound her up at first, rimming her arsehole with a little finger, then I poked the tip of a middle one just inside it. It was hard to hold her steady after that – she was wriggling

There's not a great deal you can say about Bethany. She's a very attractive woman with a great body, an absolute peach of an arse, and she looks like she'd be a cracking fuck. Having those long brown tresses dangling over your face as she sits astride you and grinds her pussy against the base of your cock? I certainly wouldn't say no...

Welcome to Richard Kern's world of stunning young women shot with an eye for the erotic...

New York-based photographer Richard Kern occupies an odd position in the world of photography. On the one hand, he's a celebrated artist whose prints sell for large sums of money, known for his highly personal, erotic images. On the other, he's a champion of the underground whose work is considered by some to be little short of obscene, and he's spent much of the past 10 years shooting for adult magazines. What everyone agrees on, whether they're stroking their chins in a gallery or stroking something else in the privacy of their own room, is that Kern knows how to shoot sexy. Starting out making arthouse short films like *The Right Side Of My Brain* and *Fingered* in the 1980s, he moved into pop videos before turning his back on film altogether and embracing photography. He specialises in shooting young, unadorned babes, from innocent ingenues to hardcore porn stars, and he always makes them look unbelievably fuckable. Of late, highbrow publisher Taschen has been publishing anthologies of his material and the latest one of these, *Action*, is out now. We talked to him one morning as he got ready to shoot his latest model...

You initially got a reputation as a provocative filmmaker, and then you gave up what a lot of people would have considered a promising career to concentrate on photography...

"That's true. It happened twice. The first time I was so messed up on drugs that I sabotaged myself.

"This girl is 18 and she wants to model for me"

The second time I was clean and had been for a few years. A friend of mine was working at *Barely Legal* magazine,and he said to me, 'Can you send us some of your photos and we'll pay you $2,000 for each set'. I was, like, '$2,000!' At the time I was working on a video that I was making $800 on, but it would take a month to finish. I'd worked on some videos that were big budget, that I'd made decent money on, but still, the ability to make good money in one day..."

I'm kind of surprised that your photography hasn't moved more into the mainstream.

"It has! It's been almost two years since I shot for porno magazines. The Taschen books are pretty much older material repackaged. The editor of some of the magazines I used to shoot for is now the sex book editor at Taschen. I had all this material, and she said that she'd like to put it together and do a book. The stuff in the books is a mix of stuff that I shot for sex magazines and personal stuff. It's really obvious which is which. There are the girls that look straight, like they might be your roommate, and then there's the porno girls."

Even the 'straight girls' stuff is pretty explicit...

"Oh yeah, and there's also some

crossover, in that a lot of the straight girls that I'd shoot for my porn stuff, here in New York, they'd be girls that I also shot for my personal stuff, and they 'd want to make some quick money. So there are the girls who I shot for personal stuff, girls that I shot for personal stuff and porn, and the flat out LA porn girls."

How do you meet the girls?

"I meet them through friends, or they write to me or email me, and I've placed a couple of ads. Most of the time one girl just leads to another. A fairly good proportion of the girls who want to be shot by me are girls that have been modelling for a while, and they've gone and done research to look into people they're into; then there are girls who are older, have been into my work for a while, and have finally got up the nerve to ask. Sometimes there's a girl who just writes me out of the blue and I go 'Wow, this girl is 18 and she wants to model for me…' but that happens, like, twice a year…"

Do you approach a shoot differently when it's for you as opposed to when it's for a skin mag?

"Of course. When I was shooting porn I was always thinking, 'Okay, I've got to get all these shots'. Occasionally there'd be a girl where I'd think I might be able to get something for my personal stuff. In *Action*, for example, there's one shot of a girl with her fist in her mouth. Now, that girl modelled for me for one day only. She was one of those models who modelled once and then just disappeared. I was shooting her for one of the mags, and we were talking and she said 'I can put my fist in my mouth'. I said I'd really like to see it and she did it and it just became a great shot just for me, nothing to do with the magazines I was shooting for. Or with the shoot I'm going to be doing today; I've got this girl with huge tits and her head will be in the oven and her tits will be hanging over the oven door and she'll be in her panties. And she's got a cast on her leg so it's, well, it's that kind of shot – not like something you'd see in a porno mag. It's a lot more about communicating with the model and seeing what you can come up with."

"I desire to see some big boobs hanging off an oven door…"

So will there be more recent material available soon?

"There's gonna be a book of more voyeuristic stuff that will come out next year, and that's going to be full of blurry paparazzi-style shots. It's a lot softer, but it's more exciting to me. For me that's the really sexy stuff, more so than seeing a girl from LA who's been fucked every which way. I think it's way more exciting to walk up to a counter, and there's a hot, big-titted Polish girl working behind the counter who leans down and you get a glimpse of her boobs: you can't get much better than that."

Do you think that your material has mellowed out over the years?

"Definitely, but then if I look back at my personal stuff, it was always pretty soft. There's a certain segment of my personal stuff that people find really misogynistic, and they don't get that it's not that I desire to see a woman with her head in the oven, it's that I desire to see some big boobs hanging off an oven door… I think there's a humourous aspect that a lot of people just don't get it. A lot of the people who saw *Fingered*, it *is* very violent and sexist and stuff, but if you look at it twice, you realise that this is pretty funny, the stuff they're saying to each other, the way they talk, it's like a comedy. And I've had people come up and say that to me, that they thought it was funny."

Action by Richard Kern is out now from Taschen. You can see more of his photography at www.richardkern.com

It's been a funny old year for Laura. First she starred in a bunch of hot porn movies, in which she clearly got off on some good, hard fucking. Then she appeared on a daytime TV show, talking about her love of good, old-fashioned one-night stands (and shocking the resident agony aunt into the bargain). How to finish the year on a high after all that action? Hopefully an appearance in Razzle will do the trick, because this brunette babe is just the kind of older woman we like - sexy, horny and up for almost anything!

THESE BOOBS W

A closer look at a new book that's jam-packed with busty models from days gone by...

Taschen Books have a long history of publishing quality collections of fantastic glamour photography, from Helmut Newton's sumptuous images to the more explicit images of *The Christie Report*. The material contained in *The Big Book Of Breasts* is no stronger than what you'd find in your average lads mag nowadays, but for fans of big, natural tits, it's a real joy.

Most models in this day and age seem to be cut from the same stick-thin, vaguely androgynous template. *The Big Book Of Breasts* looks back to an age when models, especially glamour models, came in a much wider variety of shapes and sizes, and was all the better for it. The book was edited by Dian Hanson, former editor of tit-fan bible *Juggs* and a woman with more experience of working with busty babes than most. As you might expect, she's picked a selection of cracking pictures that should keep any boob-hound happy. Her introduction puts most of the images in the context of the development of the glamour industry, from burlesque to the heady days of *Playboy* and Russ Meyer. Although the contents of the book cover only the period from the 1950s to the 1970s (although if it's successful, I'd guess we'll probably see a second volume featuring loads of more contemporary pictures), there's still a lot here to enjoy. Some of the earlier pictures look almost kitsch nowadays, but the models all seem to be having fun, and the informality of the poses give the pictures a sense of fun that's sadly missing in today's world of hard nosed professionals. Although some models were professionals, most were just amateurs, making money posing for photographers who, in many cases, were pretty much as inexperienced as they were.

By the time the 1960s rolled along, there was a well established market for busty babes, and the pictures from that period show more attention to detail than what's gone before. The girls are more obviously posed, and there's an increasing number of sexy secretaries on display (not that we're complaining, mind). There's an interview with Michelle Angelo, one of the top busty models from the late

1960s. As you might expect, she's a stunner, with a cute smile and a figure that nowadays would make her a mint. Angelo's experiences as a a glamour model seem to be pretty much wholly positive, and she's still going strong today.

The 1970s were the tail end of this golden age of busty nudes. Adult movies and XXX-rated magazines were eating into the markets carved out by softer titles in the past. A lot of the bustier models might have been happy to strip naked, but not to go any further. Still, there were enough people interested in seeing relatively soft images of busty beauties to keep the photographers snapping, and the likes of Russ Meyer were still making a killing with their b-movies. As the book shows, there were still some stunning models coming through, and it's a real shame that, by the 1980s, glamour photography had either become more explicit or gone down the route of more upmarket, 'erotic' artsy material.

The Big Book Of Breasts is a book that any red blooded bloke should own. Firstly, it's a great collection of pictures for fans of women with big tits. The interviews with the likes of Michelle Angelo and other busty legends such as Candy Barr and Kitten Natividad are quite revealing, and you could flick through it for hours. But it's also great to use as a reference. Most of the models are named, and a quick search of the internet can bring up a treasure trove of images of the likes of Roberta Pedon, Joan Brinkman and Suzanne Pritchard. As the samples we're got here hopefully show, these are stunning women, shot by photographers who were often fans as well as snappers. *The Big Book Of Breasts* captures that vibe of almost innocent fun perfectly. For any bloke who likes boobs, and I reckon that's pretty much all of us, it's a must-buy.

More strip, less tease.

The Big Book Of Breasts is published by Taschen Books and is out now.

so much I had to back her up against the wall, her legs clamped around my back.

I was starting to lose my grip anyway, now I was getting closer to cumming. I let her slide down onto her feet, then turned her around, hands up against the wall, to do her from behind.

"Up the arse," she groaned

I was stroking her slit and crack, keeping myself hard with my free hand. Then I put my prick up to her wet pussy again. "Up the arse," she groaned. "Just stick your cock up my arse and fuck me."

I'd never actually done her up there before – at that point we hadn't really been shagging each other for long. I'd had girls agree to it, even get into it when they tried it, but Den was the last one I'd have thought would actually ask for it.

I wet the both of us with pussy juice, slathering it on my cock and upwards all over her arsehole. I took it slow and gentle, just gliding up her arse, but she knew how to take it. As I rubbed her clit she was cumming all over the place, but I didn't think I was doing her hard enough to get off myself. Then, suddenly, I just felt my bollocks bunch right up and I was spunking deep in her bum.

She came again as I pulled out, my liquid cum dripping out of her arsehole. Then we got a cab back to my place and shagged each other silly all night. One thing – we don't know where the hell her knickers ended up – I must have dropped them when we were screwing. We like to think some other dirty fucker picked them up and appreciated what he'd found!

"WALTER HILL'S BEST MOVIE - PULSATING, TERRIFYING, WITH A GRIP LIKE STEEL" ★★★★
SOUTHERN COMFORT
FROM THE DIRECTOR OF THE WARRIORS
DVD

Although *Deliverance* is undoubtedly the King of the 'city boys fucked up by backwoods folk' movies, Walter Hill's *Southern Comfort* certainly proves that there's room for at least two classics in the genre. Here, the locals in the Louisiana bayou move like ghosts through the swamp, picking off the interlopers who've got stuck where they don't belong. It all kicks off when a bunch of arrogant National Guardsmen attempt to 'borrow' a couple of boats whilst on a weekend exercise in the swamplands. It all goes tits up rather fast, and soon these weekend warriors are being hunted down, with little but their wits to survive on. And these guys aren't big on the wits side of things. The Vietnam allegory is laid on a bit thick (soldiers coming a-cropper due to their lack of familiarity with the landscape and the ways of the locals), and the characters are somewhat one dimensional, but the film looks fantastic and pounds along at a rate of knots. Director Walter Hill also made *The Warriors* and *Deadwood*, and this is easily as good as either of those. Action movie fans should snap this gem up. **Southern Comfort is out now**

Toy Story

I've always been turned on by women using sex toys – one time, a girlfriend of mine had to remind me to use my cock on her, I was so caught up in fucking her pussy with one of her dildos! Another time a woman was sucking me off while doing herself with a vibrator. She was fucking herself so frantically and blowing me so hard, I couldn't have pulled out of her mouth if I'd wanted to. She was bucking her cunt and clit up against her toy, and drinking my bollocks dry as I shot my wad into her. My biggest fantasy, though, was watching two girls go at it with a strap-on and, when I finally got to live it out a few weeks back, I wasn't disappointed.

I'd been fucking Liza on and off for a couple of months, thinking I could even get serious with her. But she'd told me from the off, one man's cock wouldn't satisfy her, and she was into women too. We didn't have any secrets – in fact, she'd lie there telling me all the filthy details while I stirred a toy around up her cunt. So I asked her if she'd ever had strap-on sex.

She said, "Just spurt it out, right in her face."

She said the last time had been about six months before, and I ended up begging her to get in touch with the girl she'd screwed. Fucking hell, the wanking I did while we waited to hear back – then Liza called to say she'd fixed up a threesome. I wasn't on a promise from this other girl, but Liza reckoned a total goer like Amy wouldn't turn down the offer of my knob! Well, not if she was anything like Liza, she wouldn't. I got the booze in, but the girls had already had a few when they turned up at mine, laughing and all over each other. Amy had this dress on that zipped all the way down the front, and after a quick grope of her tits through it, Liza undid it, exposing a very skimpy bra and thong.

Amy went down on her dildo

Meanwhile, Amy was scoping me out. "You fucking bitch, keeping this one all to yourself," she told Liza. Result – but first I wanted to watch the fuck-show.

It was even hornier than I'd expected. Liza finally took off her long coat – she was wearing this sort of basque

You'd better make this horny housewife's a large one. Two large ones to be precise. "Men can't help themselves when I flop my tits out," big boobed Lucy told us. "They love it when I squeeze my breasts together so they can tit-fuck me. I think I've had more pricks in my cleavage than in my cunt. You wouldn't believe how much spunk I've had splashed over my norks. Mind you, no matter where a bloke's cream lands it usually ends up in one place - my mouth!"

that pulled her waist in but left her tits, arse and pussy bare. She was already wearing a strap-on, held on her crotch with a tight thong. Liza was in charge. She snapped her fingers, then Amy went down on her dildo. I couldn't wait for her to get to grips with my hard-on. Then Liza had her bending over the bed, thong halfway down her thighs.

My prick was throbbing as I watched Liza tease Amy's crease with the toy, then start to push inside of her, a bit at a time. If Amy made any move to press back onto it, Liza'd stop immediately.

R18 Round-up

I've got nothing against films that focus on Asian, Oriental or African-American babes, or indeed any 'type' of woman - after all, some guys go for a particular look, and it makes sense to market movies to them. Calling your film *Slant Eyed Sluts*, though, seems a bit dodgy to me. The film is standard Platinum X fodder, with little expense spent on the sets, but some seriously hot babes giving their all. Of the five women in the scenes here, opener Nyomi Zen is the cutest, a petite Asian babe who really goes for it in a scene that's red hot. The next scene suffers by comparison, but is stil pretty rude.

There's a third boy/girl scene, followed by a couple of threesomes, that are much arder. Of these, the final scene, featuring Asia, is the best. This model is a total slut, and the action is really furious, with Asia talking dirty even as she's being fucked by two thick cocks. Overall, *Slant Eyed Sluts* is a pretty good porno, and fans of Asian babes will love it – it's just a pity that they couldn't have thought of a better title. *On Your Knees, Bitch* obviously wins out on that score!

Directed by porn star Kylie Ireland, who's developing quite the range of strong gonzo movies, this is an all-oral movie with a more 'vignette' style. Basically, it's girls sucking dick in a variety of scenarios. It kicks off with two groupies (both of whom are pretty cute) sucking off a rock star, and from there on we have babes sucking dick in order to escape parking tickets, a hooker giving a blowjob in the back of a limo, a submissive slut being ordered to suck cock by her mistress and, best of all, a really cute blonde taking on three cocks in a taste test! Obviously, there's only so much you can do with a dick, but within this constraint, there's a lot of fun to be had from this movie.

The girls are all hot, great at sucking cock, and the scenarios are varied enough to stop things getting boring, the extra POV scene with director Ireland sucking off a cameraman is a great bonus, too. Recommended for men who like blowjobs (and isn't that all of us?).

Amy was using a small, thin hand-dildo up Liza's arse

She was giving it to her slow, tantalising the pair of us, so I took a bit of action. I started wanking my own prick harder and faster, like I was starting to lose control. Liza could have ignored me but instead – as I'd hoped – she just started lamming into Amy's snatch. Amy caught my eye, giving me a grateful wink. Then she got right into taking one off Liza.

"Over here," said Liza. She wasn't done taunting us quite yet and she knew what would do the trick. She had me kneel up on the bed,

Out and about once more, and fair play to the brave red-headed babe who braved the wintry conditions to take these ace shots decked out in full set and stockings. She's got a great pair of pins on her, and I hope that there was a thick coat and a hot cup of something waiting for her once she'd finished posing for the *Razzle* snapper!

Liz

It's all out mammary madness over the next four pages as Liz joins us for a bit of tit-top action. I don't know about you, but I'd take a bouncy, booby babe like Liz over some scrawny 'size zero' stick insect any day of the week. I could spend a day playing with each of her tits, and a week using the pair of them for no end of pleasure. They're fucking fantastic!

It's a boob-bonanza this issue. First the Taschen book, and now this. It's a bit more expensive, but for a top-notch replica set of Jenna Jameson's tip-top top bollocks you'd probably be willing to pay over the odds. Jenna's undoubtedly the world's most famous porn star, and her fantastic boobs certainly helped make her the megastar she is today. These replicas are abotut as close as most of us are going to get to the real thing, but you could still do a lot worse. If you're looking for something to strap to your chest on a stag night, these might be a bit much. For more intimate fun, they're worth every penny! **Doc Johnson's Jenna Jameson Tits are available from www.lovehoney.co.uk**

wanking myself a few inches away from Amy's mouth.

When I started groaning that I was cumming, she said, "Just spurt it out, right in her face." I glanced down at Amy, checking she was okay with this – her big, dirty grin told me she was.

I grunted, letting rip. By the time I was finished, her face was totally covered in sticky white jizz. She started lapping it up, licking around her mouth, then Liza took my

place in front of her, wiping the dildo in my muck so she could suck more of it off my shaft.

The two of them gave me a break, messing around while I recovered, knowing that when I felt up to watching them, it'd soon get me hard again. Amy was using a small, thin hand-dildo up Liza's arse, licking her clit until she orgasmed.

As she came back down to Earth she told me to lie on the bed, so Amy could give my cock a sucking. She went down on me like she hadn't been fed in a week, and it didn't take much coaxing from me for her to squat over my face and get some back.

I don't know if this was in Liza's plans, but she joined in, crouching over my head so she could give it to Amy from behind again. I had my mouth on Amy's clit and two fingers up her cunt, testing how she felt round them. Put it like this, I didn't want her leaving before I'd stuck my dick up her and, if I hadn't already seen her take Liza's big dildo, I

wouldn't have been convinced she could.

As it was, I saw it go inside her in glorious close-up, pulling her open so her labia were stretched tight and shiny around the shaft. It seemed to hit the top of her pussy with a thud, but her groans were of pure pleasure.

I emptied my bollocks in her

"Back to work," said Liza, slapping her round the bum, and she started sucking me even harder and deeper. It was incredible – her hot, wet gob was wrapped round my prick and, as Liza's fake length slammed in and out, I got to watch and feel the fuck-juices dripping out of her and all over my face.

I groped around on the bed and found a little vibrator, then pulled my mouth off her clit so I could use that instead. She was moving her arse about, grinding hard onto Liza's strap-on, but she didn't let up on sucking my prick. I think I felt her cum a couple of times – it's hard to be sure because I was half-gone myself, but then Liza let up.

"Can I spunk up your pussy?" I breathed. Amy was gasping for air herself, but she slithered down my body, leaving a sticky trail, then palming my cock into her hole as she straddled my crotch. I didn't even need to push up hard before I emptied my bollocks in her. Liza seemed to be taking a "don't mind me" view, fucking herself with her toys while Amy and I shagged. She'd be wanting some appreciation for that soon enough, but I was happy to oblige when the time came.

When Amy finally left – with just a couple of hours to spare before a date with some other bloke she was fucking – I slid a dildo slowly up Liza's arse. Then I slipped my cock in her cunt, feeling how it was even tighter now. She was so turned on she started cumming the second she touched a vibrator to her clit, and she just kept on until I shot my wad too.
